2. The Employment Relationship

A. At-Will Employees

Employment with Northpoint Expeditionary Learning Academy is terminable at will. This means that you or Northpoint Expeditionary Learning Academy may terminate the employment relationship for any reason, or no reason, at any time and without notice. Any modification with respect to the term of an individual's employment must be in writing and approved by the Director or Administrator. This Employee Handbook is not a contract and does not create any rights for employees or obligations for Northpoint Expeditionary Learning Academy. Northpoint Expeditionary Learning Academy reserves the unconditional rights to modify, delete, or make any changes or exceptions to anything contained in the Employee Handbook without notice. Oral statements and representations or promises that contradict this Employee Handbook, including promises of employment for any specified period of time, are not binding on Northpoint Expeditionary Learning Academy. Employees must review this document and

understand the difference between contractual and at-will, particularly in regards to end of employment dates and pay.

B. Fingerprinting Requirement

All instructional employees, including all individuals engaged in instruction as classroom and laboratory teachers, supervisory teachers, speech therapists, and principals, must obtain a State of Arizona Department of Public Safety IVP Fingerprint Clearance Card. All contractors, subcontractors, vendors, or their employees who provide services to Northpoint Expeditionary Learning Academy on a regular basis must also obtain an IVP Fingerprint Clearance Card. Instructional employees are not permitted to continue to engage in instructional activities after the expiration of their IVP Fingerprint Clearance Card. Therefore, all instructional employees must renew their fingerprint cards in a timely manner. The costs of this requirement are solely the responsibility of the employee. Further information can be found in ARS 15-183 or ARS 15-512.

All non-instructional personnel and volunteers who are employed by, or provide regular service to the school and who are not the parent or guardian of a student who attends Northpoint Expeditionary Learning Academy shall be fingerprinted for a criminal history check as a condition of employment or service using an identity verified fingerprint process. This includes contractors, subcontractors, vendors and their employees as per ARS 15-512. Criminal history information is only to be used for the specific purpose for which it is requested (employment/service). The school requires fingerprint-based criminal history record checks for paid and unpaid personnel under the authorization of Arizona Revised Statutes 15-512. The costs of this requirement are solely the responsibility of the employee.

The fingerprints will be used to check the criminal history records of the FBI. The person being fingerprinted will be allowed 30 days to complete, review and challenge the accuracy of the criminal history record. The appeals process will be completed within 30 days. Applicants may obtain a copy of the FBI record as per the information to be found at www.fbi.gov and follow the procedures found therein. An applicant may view and discuss the FBI report with authorized staff, but may NOT receive a copy of the report. Criminal history information is not public record and cannot be copied, emailed, sent electronically, faxed or discussed with anyone besides authorized staff. (See Confidentiality section in this policy manual) When no longer needed for its original purpose, criminal history information must be completely destroyed in the cross-cut shredder by authorized personnel only. No policy, procedure or protocol herein will undermine or conflict with any statute or guideline of Arizona Department of Education or Arizona State Charter School Board.

C. Your Job Classification

It is the intent of Northpoint Expeditionary Learning Academy to clarify the definitions of employment classifications so that employees understand their employment status and benefit eligibility. These classifications do not guarantee

employment for any specified period of time. Accordingly, the right to terminate the employment relationship at will at any time is retained by both the employee and Northpoint Expeditionary Learning Academy. Each employee is designated as either nonexempt or exempt from federal and state wage and hour laws. Nonexempt employees are entitled to overtime pay under specific provisions of federal and state wage and hour laws. An employee's nonexempt or exempt classification will be determined based on the guidelines established by the Fair Labor Standards Act (FLSA). As a result, the method of base pay received (hourly or salary) will not necessarily determine the employee's nonexempt or exempt status. An employee's nonexempt or exempt classification may be changed only upon written notification by Northpoint Expeditionary Learning Academy.

Northpoint Expeditionary Learning Academy employees are defined as follows:
Exempt full-time (e.g. certified, instructional, some non-instructional and administrative staff)
Exempt part-time (e.g. certain classified and non-instructional staff)
Non-exempt full-time (30 hours per week or more)
Non-exempt part-time (29 hours per week or fewer)

3. Discrimination

Northpoint Expeditionary Learning Academy makes a commitment to establish a workplace free from discrimination and is an equal opportunity employer. This is a commitment that must be shared by all individuals associated with Northpoint Expeditionary Learning Academy. All employees are expected to conduct themselves at all times so as to provide an atmosphere free from unlawful discrimination. Pursuant to state and Federal Law, discrimination against an otherwise qualified individual with a disability or any individual by reason of age, race, color, religion, sex or national origin is prohibited. Northpoint Expeditionary Learning Academy strives to ensure equal opportunity for all qualified persons.

Complaints or charges of violations are to be reported immediately to the Director in written form and will be promptly investigated. The Director will investigate the allegation and take any appropriate action he/she deems necessary, which may include the termination of the offending individual.

Please be advised that Northpoint Expeditionary Learning Academy is required by law to conduct a thorough investigation, and absolute confidentiality is not always possible. Adverse action will not be taken against an employee who reports or participates in the investigation of a violation of this policy on the basis that the employee made such a report or participated in the investigation process. Northpoint Expeditionary Learning Academy will take prompt and appropriate remedial and/or disciplinary action to address any violations of this policy.

4. Title IV

Title IX of the Federal Education Amendments Act (“Title IX”) protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. The School does not discriminate on the basis of sex and adheres to all conditions established by Title IX by recognizing the right of every student who attends the School to do so without the fear of sexual harassment. The School’s Grievance Procedure and Title IX Policy may be found on the School’s website. Inquiries about the application of Title IX or formal complaints should be directed to the School’s Title IX Coordinator:

NAME: Robert Zinni

POSITION: Assistant Principal

PHYSICAL ADDRESS: 551 1st Street, Prescott, AZ 86301

PHONE: (928) 717-3272

EMAIL: robertzinni@northpointacademy.org

Sexual harassment is defined as: Conduct on the basis of sex that satisfies one or more of the following: (1) An employee of the School conditioning the provision of an aid, benefit, or service of the School on an individual’s participation in unwelcome sexual conduct; (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the School’s education program or activity; or (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Any person may report sex discrimination, including sexual harassment, regardless of whether the person reporting is the person alleged to be the victim of the reported conduct or not. A report may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. Complaints of sex discrimination that are not sexual harassment will be handled pursuant to the School’s regular procedures for resolving student or employee grievances promptly and equitably. Formal complaints of sexual harassment will be handled using the grievance procedure set forth in the School’s Policy. The School shall follow grievance procedures that provide for the prompt and equitable resolution of formal complaints from students and employees alleging sexual harassment.

5. Harassment

Harassment is defined as verbal or physical conduct that denigrates or shows hostility or aversion towards an individual because of race, color, religion, sex, national origin, age, disability, or pregnancy. Harassment may include various conducts relating to an individual's protected class such as: epithets, slurs, negative stereotyping, threats, intimidation, hostile acts, unwelcome jokes, or hostile written or graphic material in the workplace. Sexual harassment is defined as follows: unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, such as uninvited touching or sexually-related comments, when (1) submission to the conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct is used as the basis for employment decisions affecting the person involved; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

No employee may be required to submit to sexual advances in order to retain or improve his or her job. No one has the right to make the work environment intolerable because of unwanted touching, insults, unwelcome jokes, etc... If you feel you or another employee is being subjected to harassment by any employee, customer, vendor, or supplier, you must report it at once to your supervisor. If the complaint involves someone in the employee's direct line of supervision, then the employee must immediately inform another supervisor or the Director of the complaint.

Sexual harassment can occur between members of opposite sexes or between members of the same sex. Each incident of harassment will be investigated according to its own unique circumstances. To the extent possible, investigations will be conducted in confidence; however, please be advised that Northpoint Expeditionary Learning Academy is required by law to conduct a thorough investigation, and absolute confidentiality is not always possible. An employee found to have harassed another individual will be subject to discipline, up to and including termination. No employee who in good faith reports harassment or participates in an investigation of such a report will be subjected to any discipline or retaliation for lodging the report or participating in the investigation.

6. Americans with Disabilities Act Policy

As part of its commitment to providing its employees a work environment free from harassment and discrimination, Northpoint Expeditionary Learning Academy will provide qualified disabled individuals with reasonable accommodations that enable those employees to fulfill the essential functions of their jobs.

If, while employed with Northpoint Expeditionary Learning Academy, you have a physical or mental condition that you believe constitutes a disability, and you believe that there is a reasonable accommodation that Northpoint Expeditionary Learning Academy could provide to assist you at work; you should inform the

Director.

7. Employment Policies

A. Attendance

Employees are employed because Northpoint Expeditionary Learning Academy is in need of the services they provide. Excessive absenteeism harms the mission of the school and places burdens on colleagues. Absenteeism will be considered as any instance of missed work time, full or partial days, including tardiness and early departures, for reasons other than expectations or requirements of your assigned duties. Absences, departures, tardies are to be reported to the business manager and recorded on the sign in/out board in the office.

B. Regular Hours

Northpoint Expeditionary Learning Academy's regular hours are 7:45 AM to 3:45 PM for the middle school program and 8:00 AM to 4:00 PM for the high school program during school days and professional development days, plus hours as needed to supervise additional fieldwork, events and activities. Instructional staff, certain non-instructional staff and other exempt employees are expected to be available to students, parents and colleagues during the program-aligned time period. Instructional staff, certain non-instructional staff and other exempt employees are expected to perform the duties assigned by their supervisor, outlined in their job description and/or expected of an employee in a like-position at a similar place of employment. This may include before and after the regular hours, over nights, weekends and additional hours beyond those described herein. Employment is a year round expectation which extends beyond the scheduled days of school with days and hours to be determined.

C. Holidays

Northpoint Expeditionary Learning Academy observes the following paid holidays every year:

Independence Day

Labor Day

Veteran's Day

Thanksgiving

Christmas Eve and Christmas Day

New Year's Day

Martin Luther King Day

President's Day

Memorial Day

Certain school breaks such as Summer, Spring, Winter or Fall

D. Employee Absences

Vacation - Northpoint Expeditionary Learning Academy salaried employees will have the published paid vacation days for the school year. The school

calendar will be available for review of those days.

Paid Sick Leave/Personal Time Off - Northpoint Expeditionary Learning Academy salaried/hourly employees will have a total of 5 - 10 paid Sick/Personal Days to be used as necessary. These days will not carry forward to subsequent years of employment, are not transferable and will not be refunded if unused. Leave days can be counted in increments of not less than .50 (half days). Leave in excess of 5-10 days will result in loss of pay, pay will be reduced in only full day increments. Administration has final approval on all leave requests paid vs. unpaid. Professional development requested by administration does not accrue toward sick/personal days of paid leave. Staff is responsible for securing classroom coverage (substitute teacher) prior to start of school on the date of any absence.

Non-instructional salaried exempt staff may take PTO in .25 day increments (2 hours). Any time exceeding 2 hours will be considered a 4 hour block of PTO.

The School Director is exempt from the 5-10 day limit and may take leave as needed. Concerns with regards to Director absences should be addressed to the Corporate Board or Business Manager.

Leaves of Absence - Northpoint Expeditionary Learning Academy employees must make arrangements for Leaves of Absence which may be outside of the previously mentioned allowances through the school Director. If the Leave of Absence is determined to be excessive to the quality and depth of the academic program and continuity of expectations, then permission of the school board must be obtained.

Jury Duty - Northpoint Expeditionary Learning Academy encourages employees to fulfill their legal and civic responsibility, which includes jury duty and court appearances. Employees must provide documentation of the court appearance or jury duty to their supervisor as soon as possible. Employees will be paid for a maximum of 10 days for jury duty. When serving jury duty, employees must notify their supervisor daily if they are expected to be absent from work. Employees are required to return to work as soon as the duty is completed. Employees must provide their supervisor with a certification of services, provided by the Jury Commissioner, when jury duty is completed. Employees must secure their own substitute teacher for these absences.

Death in the Family/Funeral Leave - If an eligible full time employee should suffer the death of an immediate family member, the employee will be entitled to up to 5 days off with pay (in addition to the 5- 10 paid sick/personal leave days) with the approval of the Director to make funeral arrangements and attend services. Requests for time off related to the death of any individual other than an immediate family member may be granted with or without pay. Your supervisor may request supporting documentation of the

death. Payment for bereavement will not be counted as hours worked for overtime purposes. The Director retains discretion in these matters.

Family and Medical Leave Act (FMLA) - The Family and Medical Leave Act of 1993 (FMLA) requires employers to provide up to twelve weeks of unpaid, job-protected leave to “eligible” employees. In compliance with FMLA, Northpoint Expeditionary Learning Academy’s Family and Medical Leave Policy allows eligible employees to take up to twelve (12) work weeks of unpaid leave for various family and medical reasons.

Eligibility - In order to be eligible to take family or medical leave, an employee must be employed by Northpoint Expeditionary Learning Academy for at least twelve (12) months and must have worked at least 1,250 hours in the immediate past year before the date of the requested leave. Family and Medical Leave will be granted to eligible employees for the following reasons:

- Family Leave for the birth of the employee’s child;

- Family Leave for the placement of a child with the employee for adoption or foster care;

- Medical Leave to care for a spouse, child, or parent with a serious health condition; or

- Medical Leave due to the employee’s own serious health condition that makes the employee unable to perform the functions of his or her job. Employers must also allow up to 26 weeks of unpaid leave in a twelve (12) month period to the spouse, son, daughter, or next-of-kin of a military service member injured in the line of duty. This includes the spouse, son, daughter, or next-of-kin of a veteran who was a member of the Armed Forces at any time five years prior to treatment. If you are the spouse, son, daughter, or parent of a military service member on active duty, or on notice of an impending call to active duty, the School will grant up to twelve (12) weeks of unpaid leave in a twelve (12) month period based on “any qualifying exigency.” Qualifying exigencies include short-term notice deployment, military events and related activities, urgent childcare, financial and legal arrangements, counseling, rest and recuperation to spend time with the service member on short-term leave, post-deployment activities, and other situations arising out of the active duty or call to active duty status. In order to qualify for leave

pursuant to the new amendments, an employee still must comply with other provisions of the FMLA. Note, also, that if an employee requests FMLA leave to care for an injured service member and that employee has already taken FMLA leave in the past twelve (12) months, the 26 week leave period will be reduced by the amount of leave previously taken.

Use of Leave - An eligible employee's annual twelve (12) week entitlement of family and medical leave will be calculated using a consecutive calendar time period; to begin after all other leaves and days off have been utilized. A husband and wife both working for Northpoint Expeditionary Learning Academy may be limited to twelve (12) weeks of leave for the birth of a child or the placement of a child for adoption or foster care and to care for an employee's parent. Medical leave can be taken in a continuous period or when medically necessary, can be taken in single day or partial-day increments or by reducing the daily work schedule.

Medical Certification - A request to take medical leave, for the employee's own serious health condition, must be accompanied by a statement from a physician or Registered Nurse Practitioner certifying that the employee is – or will – be unable to work and the beginning and expected ending dates of the disability. Northpoint Expeditionary Learning Academy reserves the right, at its own expense, to obtain a second or third opinion regarding the need for medical leave. The need for reduced work schedule and incremental leaves must be supported by documentation from a health care provider (physician or Registered Nurse Practitioner) certifying the schedule and duration of the treatment and that the leave schedule is medically necessary. An employee requesting FMLA leave to care for a spouse, child or parent or due to his or her own serious health condition must provide Northpoint Expeditionary Learning Academy with a medical certification completed by a health care provider verifying the need for medical leave and the probable duration of the leave. The medical certification form may be obtained from the Director. Northpoint Expeditionary Learning Academy will not determine if a leave falls under the FMLA guidelines until the medical certification form is received. Northpoint Expeditionary Learning Academy may require an employee on FMLA leave to report periodically on his or her status or intent to return while on leave.

Instructional Employees - If the intermittent or reduced time-

off leave is for an instructional employee, one whose principal responsibility is to instruct students in the classroom, small setting or individually, Northpoint Expeditionary Learning Academy can require the employee to take the leave for a specific duration not greater than the planned duration of treatment, or Northpoint Expeditionary Learning Academy can temporarily transfer an employee to an alternate position or worksite with the comparable pay and benefits, which better accommodates the recurring periods of leave. However, the leave must be requested to care for a qualifying family member or as a result of the employee's serious health condition; must be based upon planned, foreseeable medical treatment; and must be for more than twenty percent of the working days in the leave period. If an instructional employee needs to take family and medical leave near the end of the semester, the instructional employee might be required to continue leave through the end of the semester under the following circumstances:

If the employee leave begins more than five weeks before the end of the semester, the leave is scheduled to last longer than three weeks, and the employee will return during the last three weeks of the semester.

If the employee leave begins less than five weeks before the end of the semester, the leave is scheduled to last longer than two weeks, and the employee will return during the last two weeks of the semester.

If the employee leave begins less than three weeks before the end of the semester and the scheduled leave is longer than five days.

Benefits During Leave - An employee may elect to continue coverage under the Northpoint Expeditionary Learning Academy's group health plan for the duration of the FMLA leave at the same level and under the same terms and conditions as if he or she were not on leave. An employee who elects coverage is required to continue making contributions toward the cost of his or her own premium. Payment arrangements can be made with The Director or Administrator to maintain group health insurance benefits while the employee is on leave. Failure to make premium payments when they are due may result in a loss of coverage. Whether or not the employee elects to continue medical coverage during the FMLA leave, when the

employee returns to employment, the employee will be reinstated to the same coverage as he or she had before the leave.

Return to Work - Upon returning from FMLA leave, an employee will be restored to his/her original position or be placed in an equivalent position with equivalent employment benefits and pay. If an employee takes FMLA leave due to his or her own serious health condition, the employee must present Northpoint Expeditionary Learning Academy with a fitness-for-duty certification completed by the employee's health care provider prior to returning to work. If it is discovered the employee worked for another employer while on FMLA leave, Northpoint Expeditionary Learning Academy maintains the right to terminate employment with the employee.

Military Service (Non-FMLA) - An employee who is called to temporary active duty or required to participate in training as a member of a military reserve organization will be granted a leave of absence in accordance with applicable state and federal laws. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

Re-employment Rights - An employee is entitled to be restored to the job and benefits he/she would have attained if he/she had not been absent due to military service if:

Northpoint Expeditionary Learning Academy received advance written or verbal notice of the service.

The employee has five years or less of cumulative service in the uniformed services while with Northpoint Expeditionary Learning Academy;

The employee returns to work or applies for reemployment in a timely manner after the conclusion of the service; and

The employee had not been separated from service with a disqualifying discharge or under other than honorable conditions.

Health Insurance Coverage - If an employee leaves Northpoint Expeditionary Learning Academy to perform military service, the employee has the right to elect to continue the existing employer-based health plan coverage for up to twenty-four months. If the employee elects to not continue coverage, the employee is entitled to be reinstated to the school's health plan upon reemployment without waiting periods or exclusions.

E. Conduct

1. Conduct with Students

All Northpoint Expeditionary Learning Academy employees are expected to conduct themselves in a professional and appropriate manner at all times. Language that is considered foul, cussing or inappropriate for communication with minors is prohibited at all times. Relationships between staff and students that include “dating,” “courtship,” or “romantic involvement” are strictly prohibited. Staff is strongly encouraged to consider not participating in electronic/technical social networking opportunities with students including but not limited to texting, emailing, Facebook, social media, etc. except as it relates to academic pursuits.

2. Drug & Alcohol Use

Northpoint Expeditionary Learning Academy is dedicated to maintaining a safe educational environment. Thus, Northpoint Expeditionary Learning Academy has implemented a drug and alcohol free work environment policy. No employee shall report to work while under the influence of drugs and/or alcohol. The use, sale, transfer or possession of alcohol, illegal drugs, hallucinogens, stimulants, sedatives, controlled substances, or drug paraphernalia on Northpoint Expeditionary Learning Academy property is prohibited. This includes the misuse of prescription drugs or any mood altering substances while on Northpoint Expeditionary Learning Academy property, Northpoint Expeditionary Learning Academy paid time (i.e., conferences, training sessions, fieldwork, school events), or in circumstances the school believes will adversely affect the Northpoint Expeditionary Learning Academy’s operations, safety, or reputation. Violations of this policy may lead to disciplinary action, up to and including immediate termination of employment and/or notification of law enforcement authorities. The transferring, offering, selling or arranging for sale of any alcohol, narcotic, hallucinogen, stimulant, sedative, drug or any other mood altering substance while on Northpoint Expeditionary Learning Academy’s property or Northpoint Expeditionary Learning Academy’s time will lead to immediate termination.

Employees of Northpoint Expeditionary Learning Academy shall not be under the influence of prescription or nonprescription drugs during the school day or at other times when acting as a representative of Northpoint Expeditionary Learning Academy, if such medication impairs the employee’s ability to perform their job. Employees who are taking legally prescribed medication that may impair their motor skills or judgment should notify their supervisor to determine the best course of action.

Drug Testing

All full time, part time, contract service and temporary employees of Northpoint Expeditionary Learning Academy are subject to random drug testing using a method, panel, test and location to be selected by administration. Employees will also be required to participate in comprehensive drug testing in the event of an accident or injury involving the employee, school property, students or others if the incident could reasonably have been caused or contributed to by the presence or

influence of drugs. Refusal to participate in requested drug testing is grounds for immediate termination. A positive test result is grounds for termination and possible legal action. All conversations related to drug testing will be confidential and will occur in a confidential setting.

3. Weapons

Weapons are prohibited on school grounds as per Arizona Statutes. Any employee who is aware that a student or employee is carrying an item which could be interpreted as a weapon must report it immediately to the Director.

F. Child Abuse Reporting

Arizona law requires school personnel, in addition to parents and a number of other professionals, to report suspected child abuse to law enforcement or to Child Protective Services whenever there is a reasonable belief that a child has been abused, regardless of who the perpetrator is. School personnel are any individual who works for Northpoint Expeditionary Learning Academy. A “reasonable belief” is when there are facts that cause an employee to form the suspicion that a child is or has been the victim of abuse. Employees are required to make a report “immediately” once it is believed that a child has been the victim of abuse. Employees must inform a supervisor of suspected abuse; however, this does not relieve the employee of the duty to report the abuse to the appropriate authorities. Failure to report suspected child abuse can result in criminal and civil penalties. Abuse can be inflicted on a child by a parent, a relative, another adult, a school employee, and even another child. If you believe the perpetrator is the child’s parent or guardian, report suspected child abuse to Child Protective Services (1-888-SOS-CHILD). All other reports should be made to law enforcement. Employees are prohibited from undertaking any unauthorized modifications to school vehicles, property or equipment. Employees are fiscally and legally liable to damage or loss of any school property provided to them.

All messages created, sent, or retrieved over the school’s email and Internet are the property of the school and should be considered public information. It is the goal of Northpoint Expeditionary Learning Academy to assess these risks and manage them in order to pursue incident free programs. All employees assume a responsibility to ensure that adequate and continuous precautions are taken to prevent incidents. Prior to any activity, the hazards will be assessed by appropriate staff and steps will be implemented to enable the activity to be completed in compliance with total safety. In the event of an incident the staff is responsible for decision making, notification and documentation of all aspects of the situation. Incidents will be investigated as necessary.

The standard registration packet shall include a “yellow card” which is used for permission for any student to travel with any staff member during regular school hours within Yavapai County without further permission necessary. Any travel which starts, ends or includes anytime outside of the regular school day requires a signed permission slip. Any travel which includes the transport of any student outside of Yavapai County requires a signed permission slip. Questions regarding permission slips should be directed to the lead staff member for the trip or to the front office for more information. Clarification regarding the need for permission slips should be addressed to the Director.

4. Travel with Students

Any travel that extends beyond regular school hours or outside of Yavapai County requires additional planning and preparation. This work begins with a discussion of travel ideas with the Instructional Guide, Activity Coordinator, Director and all team members. The use of an Expedition Planner, Intensive Planning Tool or Fieldwork Plan will be required for documentation. A complete budget must be developed, which includes fuel, food, staff, fees and any other travel expenses. Consideration should be given to the impact of these costs on the families of our students as well as the school operating budget. Fundraising may need to take place. If the travel is to take students outside of the United States of America then the entire travel plan must be presented to the school board for endorsement. This action item must be placed on the board agenda at least 2 months prior to departure. Travel opportunities should be planned so that they do not conflict with other opportunities

Northpoint Expeditionary Learning Academy (NELA) is committed to high standards of ethical, moral and legal business conduct. In line with this commitment, and NELA's commitment to open communication, this policy aims to provide a clear definition and policy regarding distribution of prop 301 funds. Prop 301 funds, also called Classroom Site Funds, are received monthly from the State of Arizona. These funds are divided into three categories for distribution:

Base increases to teacher salaries (20% will be distributed equally through regular payroll for each pay period to teachers. The business manager will review payroll to ensure that distribution is occurring.)

Performance-based pay for teachers (as documented through teacher evaluations) (40% will be distributed to each teacher who has participated in the state-mandated performance evaluation procedure. The formula for award is developed through the use of the evaluation document. The fiscal decision is made by the Director. Determination of distribution of funds is decided by the Director. It will be the business manager's responsibility to ensure the issuance of the checks to each eligible teacher.)

Strategies for struggling students (e.g., dropout prevention, class size reduction, prof. development). (40% will be used as mandated. Use of these funds will be tracked separately from other programs and will be clearly notated.)

"Teacher" is defined as:

A.R.S. 15-501 provides a definition of a certificated teacher: "a person who holds a certificate from the state board of education to work in the schools of this state and who is employed under contract in a school district in a position which requires certification except a psychologist or an administrator devoting less than fifty per cent of his time to classroom teaching." Teachers are eligible for Prop 301 funds

A.R.S. 15-941 eliminates "librarians, guidance counselors, curriculum coordinators and other personnel who do not conduct regularly scheduled classes" from the teacher experience index as certified teachers. These staff members and all support personnel are exempt from receiving prop 301 funds.

P. Performance Evaluation

Formal evaluations will be conducted once per year. Informal performance evaluations will occur periodically as feedback is given. NELA strongly encourages staff to keep their own file of receipt copies once the originals have been turned in to the Business Manager.

While this procedure is strongly discouraged, NELA also understands that there may be times that staff must use their own funds for school purchases.

In order to be reimbursed, the staff member must complete a reimbursement form.

These forms are available from the business office. All reimbursement requests **MUST** have the original receipt attached.

Absolutely no reimbursements will be made without the original receipt(s) showing detailed purchases.

All reimbursement requests require the Director's pre-approval and signature.

I understand that the Handbook is a set of general guidelines concerning employment at Northpoint Expeditionary Learning Academy.

I understand that my fingerprints will be used to check the criminal history records of the FBI. I will be allowed 30 days to complete, review and challenge the accuracy of the criminal history record. The appeals process will be completed within 30 days. I may obtain a copy of the FBI record as per the information to be found at www.fbi.gov and follow the procedures found therein.

Northpoint Expeditionary Learning Academy may modify, revoke, or change any of the provisions of the handbook at any time, with or without advance notice to me. I understand that in the event of an apparent conflict with the policies, Northpoint Expeditionary Learning Academy's interpretation of the Handbook shall be followed. I also understand this Handbook replaces any previous handbook, manual, or policy statement issued to me before today. I acknowledge I have been given not less than seven (7) days to review this Handbook. By continuing to work for Northpoint Expeditionary Learning Academy, I am signing my consent and agreement to the changes made in policy by this Handbook and the School's right to make amendments in the future. Notwithstanding any provision of the Handbook, I understand that my employment is "at-will," which means my employment may be terminated with or without cause and with or without notice, at any time

by me or by Northpoint Expeditionary Learning Academy and that my employment will continue only for as long as Northpoint Expeditionary Learning Academy desires my services. I understand that as an at-will employee I will be paid only for the period which I am employed. In the event that I am terminated or resign, I will be paid only up to the date of termination or resignation. The annual salary is simply information about the anticipated pay distribution on an annual basis. I understand that as an at-will employee-when the employment stops, the pay stops.
